Our staff works together with you to create a wonderful, family atmosphere for your loved ones. All of our residents enjoy companionship while maintaining cherished independence and dignity.

The Sunnyside Assisted Living Community offers assisted living in a homelike environment with specialized care ranging from minimal assistance to care for the frail elderly. Our care programs are designed specifically for the needs of the residents in our community; providing the highest level of service when it's needed the most.

As part of the Baruch family of assisted living communities, it is our mission to provide a home for our residents who have outlived their financial resources. This allows seniors and their families a sense of peace knowing that they do not need to leave their home due to funds. It is because of the support of others that we are able to continue to provide a home for many.

Sunnyside shares in the mission of Baruch Senior Ministries, seeking to honor God by serving people as they age.

## Thanksgiving

November is a beautiful time of year. We see the vibrant orange, yellow and red colors of the trees, we feel the nip of cooler weather, we spot pumpkins, odd shaped gourds and golden cornstalks dotting the landscapes and deer running for cover as hunters proudly bring their spoils home. A definition of Thanksgiving is the expression of gratitude, especially to God. It is also a National Holiday that may include church, turkey, football and family get-togethers.

Every Thanksgiving Day, my friend sends me a message that she is thankful for our friendship. She is not much into the Christmas season, but she is very intentional to be thankful. What a wonderful gift to me that a friend expresses her thanks for my friendship. "Enter his gates with Thanksgiving and his courts with praise! Give thanks to him; bless his name!" Psalm 100:4. I challenge you this November to intentionally give thanks and pray each day of the month for one person. Let them know you are thankful for them with a note or a phone call. Write their name on your calendar. "I do not cease to give thanks for you, remembering you in my prayers" Ephesians 1:16. I also challenge you this November to intentionally give thanks to God for God each day. Place His name on your calendar each day, recite a thanksgiving scripture and sing a song of thanks. "Giving thanks always and for everything to God the Father in the name of our Lord, Jesus Christ" Ephesians 5:20.

May you develop a habit of thanksgiving this November that brings honor and glory to our Lord and Savior, Jesus Christ, and may it change your heart.

THANK YOU!!!
